Education

GLA University, Mathura

B.Tech-Computer Science(AIML),

2022 – 2026

Mathura

Intermediate

Smt Satyawati Public School, Farrukhabad

2021 – 2022

Farrukhabad

High School

Rajputana Public School, Farrukhabad

2019 – 2020

Farrukhabad

Skills

Technologies: DBMS | MS Excel | RESTful APIs | Git & Version Control | AIML

Languages: Java | Python | HTML5 & CSS3

Libraries and Frameworks: openCV|FastAPI | Tensorflow | Scikit-Learn | Pandas

Soft Skills: Problem Solving | Communication | Team Collaboration

Work Experience

Advanced Data Science Intern | JOVAC, GLA University

Jun 2024 – Jul 2024

Completed a 6-week intensive internship applying machine learning techniques on real-world datasets using Python, Pandas, and Scikit-learn to build end-to-end data pipelines.

- Developed predictive models and performed exploratory data analysis to extract actionable insights.
- Automated data preprocessing and created visualizations to effectively communicate findings to stakeholders.

Projects

Automated Visual Quality Control for Manufacturing | OpenCV, Scikit-learn

Apr 2025 – May 2025

- Developed a computer vision system to automate defect detection in manufacturing using image processing.
- Implemented feature extraction and trained ML models to classify defective vs. non-defective components with high accuracy.
- Utilized OpenCV for real-time image analysis and Scikit-learn for building and evaluating classification models.
- Enhanced quality assurance by reducing manual inspection effort and improving detection consistency across production lines.

Face Recognition-Based Attendance System | OpenCV

Dec 2024 – Jan 2025

- Developed a system that automates attendance by detecting and recognizing faces in real-time.
- Users register by capturing multiple face images which are stored for training.
- The system trains a model to recognize faces for future attendance marking.
- Attendance is recorded automatically by matching detected faces during class.
- Attendance data is organized and saved in subject-wise CSV files.

Achievements and Certifications

Artificial Intelligence Certification

Completed Data Science Internship at JOVAC ,GLA UNIVERSITY 

Software Engineer Intern at Hackerrank
